## **Rehabilitation of Opal Avenue Approved**

On Tuesday, the San Bernardino County Board of Supervisors approved a contract with IPS, Inc. for the rehabilitation of Opal Avenue, from 5<sup>th</sup> Avenue to Independence Avenue, in the Mentone area. The road has deteriorated and is in need of rehabilitation. The project consists of pulverizing the road, backfilling with pulverized material, and paving with asphalt concrete.

“This project is important to complete, especially for the students of Redlands East Valley High School who use this road on a daily basis,” said Third District Supervisor Dennis Hansberger.

IPS Inc. was the lowest bidder out of fifteen bids. The Department expects the construction to commence by the end of April and be completed by the end of May 2008.
